Some Timely Topics

Have you given your contribution to the March of Dimes yet?

Although Polio has been conquered there are, still other dread diseases such as birth defects which haunt us—and shouldn't we keep Polio under control too?

Why not give 'til it hurts so that our children may not hurt because of your lack of giving?

There once was a time when it seemed the teenage dances were few and far between in Arlington.

However, these days, one or more organizations seem to be holding a dance for one charity or another weekly.

And they all seem to be operated in an orderly fashion.

Apparently the rules and regulations as set down by the Town's Youth groups through the co-operation of the Board of Selectmen are working.

Let's hope that this continues and that the members of the Board don't soon tire of reading the reports of the dances.

We're going to have a committee to look into a Great Meadows golf course. That is—we will if Town Meeting action so states.

At the same time, there is also a request for funds for a survey of the Meadows area.

This "no man's" land has long been a source of confusion and annoyance to many in the Town of Arlington.

It isn't in Arlington or is it, and no one is certain just what can be done about it, and if we should decide to do something about it, whether we can or not.

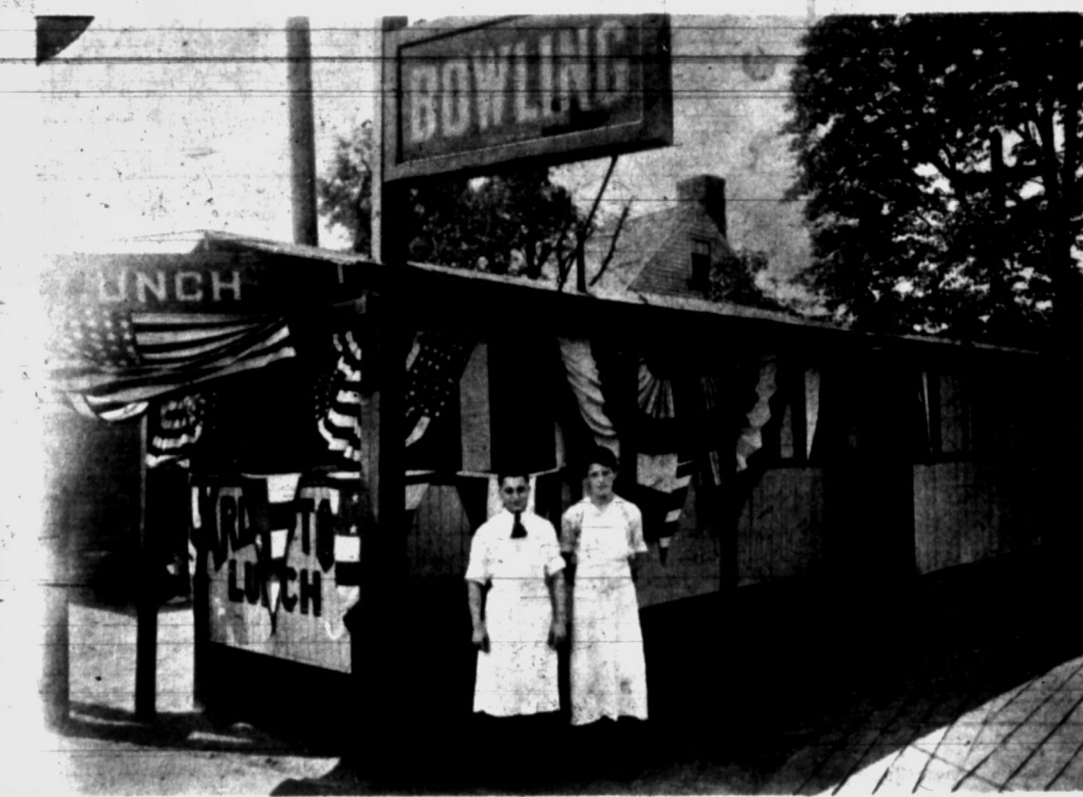

Another request for a school addition in Arlington—this time at the Dalling school.

Residents were warned that this would come eventually.

But, oh why so soon!!!

But, how about a simple question for all anti-school building residents: "Wouldn't you be the first to scream of inadequate school facilities?"

When Friends Meet to Eat ---

The place where Arlington folks meet to eat. The famous "Lunch Cart" or "Dog Cart" in Arlington Center. Read about this historical Arlington landmark in this week's "Collins' Corner."

To the Editor:

"A very wise man once said that there would be no justice in the world until those who are not injured become as indignant as those who are." The record stands at 8,000 Americans dead in Vietnam as of December '66. Who is responsible for this slaughter and utter chaos in Southeast Asia in a conflict 10,000 miles away? They are dying in battle and disease-infested swamps and jungles, completely unknown to American warfare and where few orientals are to be trusted. It is nothing less than a repetition of Korea (called a police action) where our men died needlessly. To kill and be killed seems to be the order of the day to make the world safe for communism. We live in a world gone crazy... it was planned that way.

In these communist wars throughout the world the red scourge is always favored as the victor. Who are the planners? We are a gutless citizenry when we permit the manipulators in our midst to sabotage the youth, wealth and industrial might of this nation. "We were brought to the brink of universal death and darkness because we had become that most contemptible of people an angerless one. Keep alive and vivid all your righteous anger against traitors." Too long have our soldiers been sent into battle in every role in the universe... only to die in a no-win policy that gives the enemy every advantage and victory at the negotiating table. It is time to get the rascals out... time true conservatives, who have the interests of our country in mind, were manning the watch-towers. The left wing, liberal establishment have carried the ball too long... they have got to go.

The intellectual (?) wizards of our time, (designers & advisors) advocates of our foreign policy are wrecking the nation. They are also proponents of one world, one religion (if any) and one people all in the same fish bowl... they in the drivers seat... we underfoot. Why don't we do something about it? Then and then only, will the red tide be driven back.

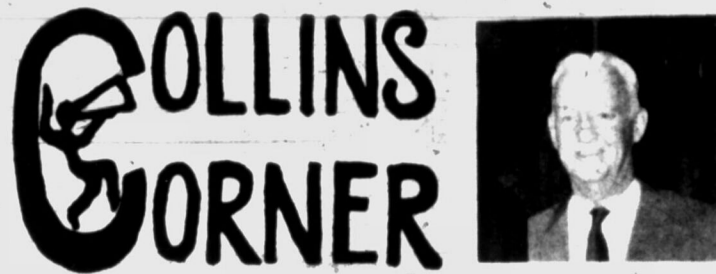

Sincerely
Isabel F. Murphy

Youth Service effectively discharges its responsibilities for the care, custody and treatment of delinquent children from 7 to 17 years old.

The study was based upon extensive field work, including observation of program operations; interviews with staff personnel at all levels; reviews of social case records of youngsters under custody; and the analysis of pertinent statistics, legislation affecting juveniles, and other studies of Massachusetts services which relate to services for delinquent children.

Dr. Wessell, who is currently president of the Institute for Educational Development in New York City, formerly served as chairman of the Governor's Committee to Study the Massachusetts Correction System in 1955-56.

The late Admiral William "Bull" Halsey learned to fly when he was 31 years old.

In almost every nook and corner of this country there are certain places where folks meet. It is especially true in towns, both small and large, where a fellow will say to another pal, 'where will I see you tomorrow night?', and the answer invariably is 'in the Dog Cart,' and instantly he knows where the meeting will take place.

Now let's take Arlington, where the first 'Lunch Cart,' or 'Dog Cart,' if you wish, stood in the Center of the Town next to the B & M Railroad tracks.

Well it seems a young fellow living and working in Lynn purchased a small Cart, and with two horses drove it over the road to our town and placed it on the spot where it now stands as a Taxi office. That was in 1893, and the owner was Charles LaBrecque, and it had six stools, and the food was cooked next door in his kitchen, which he also leased from the owner.

He eventually purchased both properties, and continued in businesses until 1919 when he sold it to two of his employees, namely Oscar and Joe Paradis, who retired in 1956. Both brothers are well and happy today, and Oscar, who has wonderful memories of Arlington, came to work for Charlie LaBrecque in 1908, and Joe arrived on the scene a few years later. They finally took off the wheels, and put it on a solid foundation, and did the cooking in the basement, plus adding on about three dozen more seats.

The wheels, still in good condition, were sold to Pierce and Winn to be put on a new coal wagon they had purchased. LaBrecque, later operated the 'Cart' at Arlington Heights and later a very popular gent by the name of Louis McKenna opened the same type eating place opposite Medford st. He later sold it to Jack Dale, where it also became a place to meet and eat.

Both Oscar and Joe's place, and 'Gutty's' as he was very affectionally known, stayed open until 2 a.m. and believe it or not, the places were crowded nightly at that hour. Oh, sure times have changed, but all the Market men coming down from Lexington, Concord, Carlisle, and places north would stop there on their way in town with their produce about 1 a.m. and have a light evening meal, and then continue on to Boston.

It was said that if a horse could walk at a pace of about four miles an hour he was a good animal, perhaps better than some of the ones some folks we know, who place a bob or two on over at Suffolk Downs.

When these wagons arrived in town the salesman who rode in on the Electrics, would be waiting, and many times the load was sold before the horse and driver arrived.

Now these were the Market Men, but about 5:30 or 6 a.m. the ice men would arrive for their breakfast before going all over town, and so all in all it was a very busy place. Many hungry inhabitants would every now and then be financially short, but no one ever left without enjoying the hospitality of Oscar and Joe, whose philosophy was 'eat up and pay when you can'.

These places should be enshrined in history as the Nation's crossroads, and no newspaper was ever needed while they stayed open.

Many who read this will recognize such landmarks in many other communities, and in Arlington there was a fellow, who ordered an egg sandwich a few times a week for sum of 10 cents, but he had them put in so many ingredients that it was known all over town as the egg sandwich that cost 15 cents to make.

But the Paradis brothers continued to make them, and over the years they served all types and classes and perhaps knew more about our Town, its citizens, their problems, and politics, than any two gentlemen one could mention.

So without any official sanction from the Honorable Board of Selectmen, the writer dedicates this week as 'Family Style, Family Week, at the Lunch Cart.'

That Man About Town

B. W. M.

Where are our good "red-blooded" All-American boys and gals?

MAT speaks of all those who used to jump into the political fray at the drop of a hat.

There are three contests for major office this year. A total of 12 candidates have taken out papers. Some of these have not yet filed, and there is only until Saturday to do so.

Where, oh where are the Hurds and Rawsons of yesteryear who were in there battling "tooth and nail" for every vote?

The Assessor contest has four candidates, but will there be four at the end of this week?

Four are running for Selectmen, but incumbents Feeley and Billaer should have little trouble winning reelection.

Would you believe by a landslide vote?

Surprised that Bill Barn-

stead has not entered this fray ---

The School Committee race—four candidates for three positions—and one of them a vacancy.

When did this ever happen before?

Whether we've had capable candidates in office before or not, the Town deserves the best.

Two incumbents will do battle with, at last count, two candidates, E. Albert Woodin and the latest to take out papers Tom Kenna who came in strong last year in a bid for the same Committee.

But aren't there more of you out there in Menotomy-land who would like to make your "schools" a better place—or is everyone now afraid to jump into "battle" for fear they might win and be criticized for the mounting school costs.

Aweek hence and we'll know just about how the March "madness" will shape up.

"Apartments" To Be Topic

"New Apartment Houses for Arlington" will be the topic of the Arlington Committee for Civic Design at its Feb. 2 meeting to be held at the Junior Library Hall at 8 a.m.

Featured on the program will be David A. Leone, Chairman of the Arlington Planning Board, who will discuss proposed new apartment house restrictions, zoning and design incentives.

David Wallace, architect and member of the Conservation Commission will discuss relevant articles in the 1967 Town Warrant.

The meeting will be chaired by Dr. Melvin R. Levin, Director of Research, Boston University Area Development Center.

Dr. Levin who resides at 244 Pleasant st., will present an introductory talk on the topic "The Apartment House Controversy. Pro and Con."

Voting Machines

The use of the I.B.M. Votomatic was discussed by member of the Board of Selectmen and a representative of I.B.M., Frank M. Fitzpatrick, Monday night.

The possible use of such voting machines at Annual Town Election was discussed by those present.

The use of such a machine would make it no longer necessary to employ tellers in the precincts.

At the same time, it was learned that votes could be tabulated within an hour and a half after the polls closed by the use of this method.

Bartholomew Colby, retired Arlington Fire Lieutenant, announces his candidacy to the people of Arlington, for election to the Board of Selectmen.

In announcing his candidacy, Mr. Colby says—

"I attended Arlington Schools, graduated in 1941. I am one of a family of five boys. One brother a night fighter pilot was killed in action in the closing days of World War II. Another brother, veteran of the Korean Conflict, is now a member of the Arlington Police Department. Two other brothers are priests. I now live with my mother at 38 Magnolia st.

"Due to multiple injuries, I recently retired from the Arlington Fire Department. After serving 22 years in that capacity, I now wish to serve the people of Arlington once again, as your Selectman.

"Our town has grown tremendously, its problems greatly multiplied. Being active in the town, and having close contact with many people, I understand our need for many new improvements. Like all of you, I too, am deeply concerned over rising taxes and shall investigate the reasons for this increase. I believe that our residents should be able to live in peace, without annoyances of any sort.

"I am an Independent and owe allegiance to no political party. I shall not spend any money for my campaign, nor flood the mails with political literature—for I remember well that Mark Sorenson once told me, 'It is better to donate the money of a campaign to a worthwhile charitable organization.'

"As your Full-Time Selectman, my aim will be to make our town a better place to live in. I ask your support and for your vote of confidence on Election Day."

Miss Poitras, sponsored by the Arlington Jaycees, plans a musical number for the talent-judging portion of the contest. The act is Donna's own adaptation built around the song "Much More from the musical, "The Fantasticks." It is a lively number about the dreams of a young household drudge anxious to do all the things she had never dared do before she gets too old.

Donna will wear the tattered costume of a peasant, done in oranges and browns. Her hair will be worn back. Her song will be addressed to the symbol of her status, a broom.

A Letter of Appreciation

A letter of appreciation from the Fernald school has been received by the Parmenter school for the large assortment of books, puzzles and games which were presented to the school as part of the P.T.A.'s "Christmas Book Project."

This year some 1,038 books, toys and games were presented, sorted and sent to five different institutions, including the Fernald school.

Pictured above, Parmenter youngsters, Kathleen Quayle, Patricia O'Fria and Arletta Nicholl are shown delivering books to the Fernald school.

The following letter was

sent to the Parmenter in appreciation.

Dear Little Friends:

"It was a pleasure to meet with the representatives of your school on December 14, to receive from them the large assortment of beautifully wrapped and decorated books, as well as assorted puzzles and games."

"Many of these books will be used by volunteers working with our students. I am sure that our students will benefit through your generous donations."

DALLIN P.T.A. The first Board Meeting of the Dallin P.T.A. was held Jan. 10 at 9:30 a.m. at the school.

Among the many subjects discussed for the coming year was "Would the parents be interested in Art and Drama Classes for the children?"

A Committee will be assigned to speak with parents about this program.

Mrs. Norma Shoshan announced that the Parmenter Strolling Players would present their production of the "Wizard of Oz" Feb. 25 and tickets will be available at Dallin School.

A report was read by Pres. Rita Neri on a Continual Progress Program and asked suggestions for "Block Houses" for safety.

Alan Root, Vice Pres. volunteered to head the Nominating Committee for future Dallin P.T.A. officers.

Coffee and refreshments were served by Mrs. Ruth Smith and Mrs. Rita Neri.

BRACKETT P.T.A.

The Brackett P.T.A. took "A New Look At Reading" at its meeting earlier this month. Dr. Lawrence H. Anderson, Asst. Supt. of Schools led an informative discussion of modern reading trends. He was assisted by two Arlington Schools reading consultants.

Miss Scallan demonstrated new teaching devices called the "speech to print" method and the "Language Master."

Miss Marilyn E. Flaherty demonstrated the "controlled leader." This is a machine which flashes words on a screen so that a student learns to read at an accelerated rate.

The Brackett P.T.A. meeting was preceded by room visitations.

MONEY STOLEN

Alice Hall, 33 Park ave. ext., told police last week, that her house had been entered, and that \$20 in bills, \$10 dollars in silver dollars and half dollars and a \$2.50 gold piece taken.

Entrance was said to have been gained by breaking a side cellar window.

Ski Queens in New Hampshire - - -

Mass. girls predominate as ski area queens in the Mt. Washington Valley area of New Hampshire. Some of them took time out from their skiing on Mt. Cranmore this past week-end to flash their winning smiles.

Each of the eight ski areas in Mt. Washington Valley chose a queen hoping she will be the one to be judged as the Winter Carnival Queen at the Carnival Ball, Jan. 28.

The five girls in the picture are from left to right, Brenda Hickard Lewis, Arlington, Miss Tyrol 1966 and Carnival Queen 1966; Patricia Maraghey, West Medford, Miss Tyrol 1967; Kendra Bone, Abington, Mass., Miss King Pine 1967; Karen Duprey, No. Conway, N.H., Miss Cranmore 1967; and Susanne Noyes, Conway, N.H., Miss Intervale 1967.

The other Mt. Washing-

ton Valley ski areas competing for the Carnival Queen's role are Black Mt., Wildcat Mt., Mt. Whittier, and Mt. Attitash.

A few of the Carnival events leading up to the crowning of the queen at the Wildcat Tavern are: a free fall parachute jump, snow-vehicle and snowshoe races, a fondue party and a night ski jump demonstration.

The 2nd annual Ski Masters, Jan. 28 and 29 on Mt. Cranmore's north slope will give spectators one of the finest locations. Cranmore's Base Lodge, for watching the Ski Masters competitors skiing the north slope.

To the lucky girl chosen Carnival Queen, goes a complete Christian Dior ski outfit, donated by three of the areas well known ski shops: Carroll Reed Ski Shop, Jack Frost Ski Shop and the Joe Jones Shop.

STRATTON P.T.A.

The Jan. 19th, Stratton P.T.A. meeting was opened with the flag ceremony conducted by Girl Scout troop 11 and troop 20.

This was preceded by classroom visitation.

Co-President Mrs. Frank Shlosky, then proceeded with a short business meeting.

The attendance banner was won by Miss Havelle's third grade class, plus a small gift to be used in her classroom.

"Children are people, too," stated Mr. Wolf, School Adjustment Counselor of the Arlington Public Schools, who was guest speaker to the large attending group of parents in the Stratton auditorium.

"Love—plus discipline is what children need most. Love without discipline is just as bad as no love at all," he added.

Mr. Wolf also stated the importance of the father's role in his daughter's life, especially between ages of 13-20.

These were just a few of the many points made by Mr. Wolf, in his lively, interesting discussion of the many facets of raising children.

A short question and answer period ensued.

The evening was completed with coffee and assortment of "goodies" donated by 6th grade mothers and served by Mrs. James C. D'Amico, Hospitality Chairman, in the Kindergarten rooms.

The annual skating party will be held Feb. 1.

In case of inclement weather, it will be held a week later.

Red and Gray Tottings

Transforming the Arlington High School auditorium into a battlefield, Student Council is planning to stage a Battle of the Bands on Feb. 11.

Eleven bands will be competing for the title of the best band. When the title finally is bestowed on the well-deserving band, the group will receive a 50 dollar prize.

Secondly, the runner-up band will be given a \$25 prize. For this showdown, there is also the possibility of a disc jockey, who will be the Master of Ceremonies. Good luck is extended to all bands competing in this battle.

Always ready with new ideas and projects Student Council is also looking for volunteers to be "academic assistants."

Students interested in a future in the teaching field will be allowed to aid teachers with such tasks as correcting papers. This seems to be a really useful innovation with two-way advantages, and valuable experience for the participants.

Probably one of the most enthusiastically supported plans is that of a Student Lounge. This would give kids a place to congregate after school without disturbing anyone.

But right now the biggest obstacle is the lack of a good location for the lounge. If and when plans get definitely underway, room may possibly be found.

Hearts and Cupids will be the fitting theme for the Arlington High School Girls' Club annual semi-formal. To be held in the Elks Lodge in Lexington Feb. 11.

This affair is headed by Suzanne Macklin and Sue Shine.

Committees have been set up in refreshments, publicity, and decorations to aid and assure a smooth-running function.

All members should remember the time is drawing near and make certain of their escorts and their financial resources.

Scarcely recuperated from their last excursion, Ski Club is risking its members on an

other trip. Plans for the trip are for Jan. 28, so everyone had better be ready very early that morning.

A possible place is Mount Sunapee, but if conditions are still as they are up there, really bad, the place will be switched to a more suitable location.

DALLIN PTA

The first meeting of the Dallin PTA was held at the school Jan. 19 with room visitation from 7:30 to 8:00 followed by a meeting in the auditorium.

The first guest speaker of the evening was Mr. Frederick Walkey, Director of the DeCordova Museum, who spoke of the coming concerts of the Adventures in Music held at the Lexington High School and asked all parents to encourage their children to attend.

Tickets and transportation will be available from the school and the children will be informed well in advance as to the concert dates.

Miss Shirley Vedoe, principal, and Mrs. Rita Neri, president, asked all to attend the town meetings in regard to the expansion of the Dallin school.

Alan Root, vice president, introduced Mr. George Hillier, who spoke on the many reading problems we are having with the children and gave suggestions as to overcoming them.

CARD OF THANKS

We wish to express our sincere thanks and deep appreciation to our friends and neighbors, who by their words of consolation and acts of kindness helped to lighten the burden of our recent sorrow.

We are especially grateful for the many beautiful floral pieces, holy articles and spiritual bouquets that were received especially from the "class of '66" and "friends at the Center".

The family of the late
Ralph Robert Rowley

Modern Nursing

The opportunity for discussion and exchange of views, on the important topic, "Friends in Modern Nursing," is available at the meeting to be sponsored by the Arlington School Nurses, Feb. 8, at 8 p.m. at the Symmes hospital.

At that time, Miss Alice Y. Conlin, Associate Executive Director of the Mass. Nurses Association, will be the featured speaker.

EXAMINATION

The Boston Region of the U. S. Civil Service Commission recently announced the opening of the examination for Post Office Temporary employment.

This examination will be used to fill temporary summer jobs and temporary Christmas jobs which will pay \$2.44 per hour.

Employment will be used on a full or part time basis depending on the need of the Post Office.

Individuals interested in taking this examination must apply before Feb. 9.

The examination will be given nationally Feb. 25 and March 4, 1967.

DIMES DANCE

The annual March of Dimes Dance will be held Jan. 28, in the Arlington Town Hall auditorium.

Music for the occasion will be provided by the "Homers," and door prizes will be awarded.

Tickets are being sold in the Arlington High school cafeteria after school today and tomorrow.

Henry E. Keenan of Henry E. Keenan and Co. local independent insurance agent, has been re-elected to membership in the President's Club of Kemper Insurance.

A letter from N. C. Flanagan, chairman of the Chicago-based Kemper Insurance Group, congratulated Mr. Keenan on having "contributed substantially to the growth and reputation of the company by a high level of professional performance."

To qualify for the Kemper President's Club, agents must have done an outstanding job with particular emphasis on service and counseling provided policyholders. Agents meriting President's Club membership are also active in community affairs, particularly programs to promote fire and highway safety.

Gone, But Not Forgotten!

Well, the holiday season is over, but not forgotten.

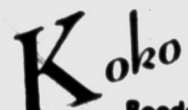

Who could forget the delighted faces of the children when the tree lights went on for the first time; and their excited voices as they rushed in to open their gifts on Christmas morning?

Perhaps you'd like to forget the one-too-many parties you attended over New Year's week, or the extra set of batteries you bought so the mechanical monster toy could continue to chug-chug about the house taking nice chunks out of the furniture.

Things are getting back to normal. And with the start of the New Year, everyone seems to want to shrug off the lazy feeling and to get going again. Harry and his cleaning crew do at least. That's the reason for this message.

If you own wall-to-wall carpeting and it looks the worse for wear after the holiday house guests trekked in and out, then give us a call and we'll have our expert cleaning crew out there in a jiffy to get at that ground in dirt and restore the rugs to their natural beauty and color.

And if you don't have wall-to-wall rugs and you would like them cleaned, call anyway, we'd like to keep Harry working, at least while he's still in the mood.

Ask Apartment Limits

An article inserted in the Town Warrant by the Arlington Planning Board would permit buildings in Arlington to the height of 110 feet and to a maximum length of 125 feet.

Town Planner Harry Miller told this paper that in the coming year the Planning Board will revise the comprehensive plan so as to consider areas of town in which high

rise apartments would be appropriate and where they should be excluded.

Miller continued by stating that the height of the building should determine the dimensions of the side, rear and front yards.

The Planner stated that in this way, this new residence "F" is an improvement over Residence C-1.

Miller concluded by stating that the only way the tax base of the Town can be increased is by the construction of high rise apartments.

The only U.S. vice-president to take the oath of office in a foreign country was William R. D. King, who was elected with President Franklin Pierce. A special A. Congress permitted King to be sworn in by an American consul in Havana, Cuba, where he was vacationing. He died six weeks later, without ever serving as vice-president.

Plan 12 Room Addition To Dallin

About "Friends"

The Arlington Friends of the Drama will present "THE IRREGULAR VERB TO LOVE", a comedy by Hugh and Margaret Williams, as their next production of the season.

Directed by Raye Bush and produced by Doris Bryant, both of whom bring tremendous amount of experience to their production, it promises to give its audience a delightful relief from the winter doldrums.

"THE IRREGULAR VERB TO LOVE" is a charming and touchingly funny play about an English family who are involved in their individual activities in a rather unconventional manner.

Hedda, the mother, for instance, played by Margaret Biggs, manufactures homemade bombs with which she blows up furrier's shops in order to force people to notice the plight of the animals whose skins are used.

On her return home from prison she finds her grown children have all returned home temporarily, her son with a Greek girl, her daughter from a disastrous marriage from which she recovers in a rather unique manner, and her husband Felix, portrayed by Bernie Southwell, also presents a problem with which Hedda has to cope.

When these delightfully real people come together on stage to play out the tale of grown children coming to terms with parents and parents coming to terms with the realization that children are, after all, only "on loan", the comedy becomes uproarious.

Also appearing in the production are Nancy Dorsey, Tony Carrigan, Roger Zim, Phyllis Ward, Helene Beck, Jack Sweet and Ruth Gottschalk.

"THE IRREGULAR VERB TO LOVE" will be performed Feb. 8, 9, 10 and 11 at the Friends' theater at 22 Academy st.

Ticket information can be obtained from the Shop Unique and the Park Florist.

UNICEF

The following news release has been received from the Arlington Committee for UNICEF relative to the 1966 sale.

"The Arlington Committee for UNICEF wants to thank all Arlingtonians for their generous support during the 1966 sale. The total income of \$1,367 is almost double what it had been in the previous year 1965.

"With the proceeds from the sale of three boxes of UNICEF cards, UNICEF can provide one thousand vitamin capsules for mothers and children. It should be most gratifying to all to free that they are helping to furnish the necessary dietary requirements to people in countries where a well-balanced diet is a rarity. This is but one very small example of how the purchase of UNICEF articles enriches the lives of fellow men.

"Specific thanks are extended to Mrs. Ralph Savio, Chairman, and to Mrs. Charles Johnson, Chairman of Volunteers. To Mrs. Earl Bolton and Mrs. George Humphrey for their work in Special Sales.

In the area of publicity to Mrs. Kymus Kinwala, Mrs. Robert Brewer, Mrs. Beatrice Canzanelli, Mrs. Harvey D. Cote and children and Miss Mary Castelli.

Many thanks to Mr. James Doherty, Superintendent of the Arlington Post Office for his friendly welcome during our sale at the Arlington Center Post Office.

"To Miss Stromdahl of the Robbins Library who allowed for the distribution of literature in the Arlington libraries. Also, thanks to Duette Photographers, Poly - Clean Center and to all Arlington Merchants who displayed posters in their business establishments. And lastly to the Arlington National Bank and more than forty volunteers who helped to staff the desks set aside specifically for the sale in the name of UNICEF.

Dear Editor:
Thank you so much for the fine publicity you gave to the work of the Arlington Tom Dooley Youth League. These high-school students work hard to raise the necessary funds to support the Dooley Foundation hospital in Laos and it is a pleasure to work with them. Any Arlington adults who wish to help in advisory capacity please do so by speaking to one of the members at the paraplegic ball game this Saturday at the Junior High West. Sincerely,

Arlington may soon have a twelve room addition to the Dallin school if requested action is taken at the Annual Town Meeting in March.

Article 55 calls for an appropriation of funds for the construction of an addition to the building.

The new segment of the building would consist of twelve rooms including two kindergarten rooms plus a library.

SCHOOL and SPORTS

Local football fans will take more than a passing interest in the 6th Annual Harry Agganis Game next Fall with Arlington High football coach Eddie Burns directing the Southern All Stars.

Eddie has already named four local boys and may possibly put a few more on his squad. A well deserved honor for a very successful coach.

There are at least five brother combinations playing hockey here in town. At Arlington High it is Steve and Ken Donnelly, Brian and Billy Corkery, and Tony and John Lyons. At Arlington Catholic it is the Coleman boys John and Don and the Quanci brothers.

Haystack Muldoon the big wrestler has really taken an interest in Arlington High freshman hockey. When he is in Boston he gets up early to attend the Arlington freshman games.

He started this practice

when Bob Havern and the seniors on this year's club were in their first year of High school hockey.

Recently he took a cab out to the Browne and Nichols rink when he heard that Coach Mahoney's boys were practicing at night. If any trouble starts the 450 pound wrestler would be a nice guy to have on your side.

Local athletes doing well sportswise at the Cambridge private school Browne and Nichols include Dave Dance who played halfback on the undefeated middle school team and center field on the freshman ball team.

Dave played A.Y.A. ball here last summer and was chosen on the all star team. Ed Walsh brother of Tom Walsh now at Hebron Academy is the varsity goalie for B and N.

Cliff Hamilton, an outstanding end, last fall on the football team is now playing with the varsity hockey team.

His younger brother Dave

is also playing hockey and with a little more experience should move up to the varsity.

Bob Carr and Bob Fredo both scored goals in Harvard's 6-2 win over Dartmouth at Hanover last week.

Billy Murray won the hurdles race and placed second in the high jump as Arlington lost to Brockton in the track meet last Saturday at Commonwealth Armory.

Other point winners were Mike Ceurvels who finished second in the 1000; Pete Chase who placed third in the two mile; George Malisi who was second in the shot put as did Harold Saul in the dash.

The team has won a meet, lost three and tied one so far this season.

Billy Langone, former Arlington High goalie is doing a great job in the nets for Merrimack College.

Bill has played six games for the Andover College and has had an average of 21 saves a game.

Art Graham, former B.C. and present Patriots' star end is keeping busy during the off season as a speaker. Saturday night he spoke at the B.C. High sports night and Sunday night he was the principle speaker at the St. James Sports' night here at the High school, where Coach Ed Burns also was a speaker.

The new college football rules which state the interior linemen must wait until the ball is punted will allow more runbacks and more wide open football. Coffin corner and offside punts will help to offset this new rule. A punt that offside cannot be run back and is put in play at the point in bounds where it went off side.

National Ski week ends tomorrow, which reminds me that Bob Healy who played hockey at Arlington High in the early 50's now runs the Chalet Hut in Warren, Vt. in the Sugar Bush Valley Area. The lodge will accommodate 40 people and is famous for its charcoal broiled steaks.

Bob operated the Chuck Wagon down on the Cape before going to Vt. this fall.

Jim Noonan, father of freshman hockey player Mark is coaching the Greater Boston Pee Wee's that will play in the tournament in Canada next month. Ed Walsh, father of Hebron Academy star and Ed Jr. goalie for Brown and Nichols

is also connected with the team.

That big defenseman by the name of Bevins playing for Woburn High is the son of Arlington Director of Physical Education "Ike" Bevins a B.U. Hall of Fame hockey player, who captained the great 1950 B.U. team, and was all American goalie that year.

For the fans who like Pro Soccer, Boston will have a team in the new Pro league starting in May.

Weston Adams of the Bruins and Forrester Clark the former Harvard athlete are now one of the Patriots' owners are behind the new venture.

Tina Noyes, the local ice queen who has been runner up for the past three years to Peggy Fleming the world figure Skating Champ finished as runner up for the fourth time in a row. Tina who is only eighteen and will be queen yet.

Rab Hurd was among the local golfers playing down at the White Cliffs course in Plymouth Sunday. Its June in January when you can go out and play golf in fifty degree weather less than 75 miles from Arlington.

Boys Club is Commended

Arlington Boys' Club, Inc., has been commended by the President's Council on Physical Fitness and the Boys' Clubs of America for offering outstanding physical fitness activities.

George "Bud" Faulkner, Boys' Club executive director, said the Boys' Club has been presented a certificate of commendation in line with a national physical fitness project sponsored by the President's Council and the national youth-guidance organization in cooperation with Boys Incorporated of America.

Certificates are awarded only to Boys' Clubs which have well-rounded Physical Fitness programs open to all age groups in the membership.

BCA is the only national youth-serving organization in the program which is designed to recognize individual club efforts in the field and encourage improved physical fitness activities at the 715 Boys' Clubs serving more than 750,000 deserving boys throughout the nation.

Winning the commendation now qualifies the Arlington Boys' Club to enter a second phase of the program through which it could be named an official physical fitness demonstration center for one year.

To be eligible for selection as demonstration centers, Boys' Club must also meet high standards for available facilities. Special pennants will be

ACHS Hoopsters Win, Then Lose

A Friday night loss to Don Bosco 60-50 and a Sunday afternoon win over Bishop Fenwick 57-45 gave the Arlington Catholic basketball team a split last week.

Don Bosco, one of the better teams in the Catholic loop, went out to an 19-8 lead at the end of the first period.

Arlington Catholic had a good second period scoring 15 points and was only four points behind at half time when the score was Don Bosco 30, A.C. 26.

In the third period Don Bosco scored 20 points and started the final period leading 50-34 with the final score 60-50.

Bob Peihl with 17 points, Fred Martucci with 13 and John O'Brien with 12 were the local boys in the double figure column.

With John O'Brien scoring 20 points Sunday afternoon Arlington Catholic defeated Bishop Fenwick 57-45 to bring its record to four wins against eight losses.

Arlington led in every

period with the score 16-9 for the first period, and 27-13 at half time.

It was 35-25 going into the last period with 57-45 the final score.

Fred Martucci was the only player other than John O'Brien with 12 were the local boys in the double figure column.

Hoopsters Lose

The big Brockton High basketball team controlled the boards and as a result defeated a hustling Arlington High basketball team Friday night at the Arlington High gym 75-66.

The local hoopsters were able to score but seven points in the first period while Brockton went out to a nine point lead, mainly because of lack of height under the boards.

The visitors were able to get most of the rebounds.

Brockton increased its lead to 13 points at half time and left the floor leading 34-21.

Brockton looked as though it might run up a real big score as it stretched its lead to 60-40 in the third period but in the final period Capt. John Donovan put on a real scoring drive.

It seemed every time he took the ball down the court he scored as Arlington narrowed the gap to nine points, losing 75-66.

Donovan had a total of 34 points for the night and Dave O'Leary had 19 while the rest of the team was scoring but 13 points.

Lack of a tall man under the boards is all that keeps the local basketball club from a winning season.

Friday night the team plays Brookline here with the J.V. teams tapping off at 6:15 p.m. and the varsity game about an hour later.

The Red and Gray opened the league season with a 46-45 loss to Brookline and are out to even matters.

If Coach "Red" Hill's boys could play every period like the final period in the Brockton game they could be unbeaten.

Arlington High Elects Captains

Friday afternoon Coach Eddie Burns assembled his football lettermen and Dan Muttly was elected captain along with Charlie Harrington, and Paul Traverse.

Capt. Dan Muttly will be lost to the team as his family is moving out of state.

Dan's older brother John Muttly was a co-captain along with Bob Warrington and both of these boys went to the Naval Academy and will graduate this June.

Charlie Harrington, the 6-2, 200 pound center, should be a standout next fall.

He is a capable defenseman for Coach John Byrnes J.V. hockey team and if he continues to improve should be a varsity hockey player as well as football captain.

Paul Traverse, although only 5-10 and 180 pounds, proved to be a valuable lineman to have around this past Fall.

He plays basketball for Coach Red Hill during the winter. The boys take over for George Gill and Billy Murray who led this year's team to an undefeated season. We hope Charlie and Paul can do the same.

STEAL TIRE-WHEEL

A spare tire and wheel were reported stolen from a car owned by the Richters, 108 College ave., during the past two weeks.

Marty Toczowski scored the final goal with Bill Corkery picking up the assist.
